**Pinnacle Hotel Vancouver Harbourfront  
1133 West Hastings Street, Vancouver, BC**

Dear Corporate Sponsors and Exhibitors,

The Vancouver Geotechnical Society (VGS) invites you to promote your business at the 29<sup>th</sup> Annual VGS Symposium as a corporate sponsor or exhibitor of your products and services.

The Symposium will feature an exhibitors hall where you can network with attendees and promote your products and services related to geotechnical engineering. All meals and breaks will be in the exhibitors hall to maximize interactions with the participants. Based on the past several years, we expect a total attendance of about 150 to 190 comprising geotechnical practitioners, industry representatives, academics, and students.

We have opportunities for corporate sponsorship of the symposium at the Gold, Silver, and Bronze levels. Such sponsorship is a great way to show your support of the VGS and help us continue providing professional development opportunities for the local geotechnical community.

The attached registration form and information sheet provide the details and benefits for potential Exhibitors and Sponsors. Registration will open on Friday June 9 and can be done at [www.v-g-s.ca](http://www.v-g-s.ca). Confirmation of a particular booth will be after payment is received.

Please reserve early to avoid any disappointment. Please contact the undersigned if you have any questions or require more information.

Regards,

Marc C. Bossé  
VGS Symposium Exhibitors and Sponsorship
